

Our time in Brazil was a huge blessing/success. This year twenty-two people went, serving on five different teams:

Baptist Betel, Apiai (5 hours away from Campinas our “home base”) – David Butts, Jim Smith, Glenice Thompson, Perry Zavitz, and Alfredo Chicaiza

Maria Antonio Church – Carolyn Kettle, Jim Allison, Nathan Hamilton, David Boom, Guillermo Simbana

Amanda Church – Buddy Kettle, Harlan Getman

Drug and Alcohol Treatment Center – Joe Henard, Becky Hamilton, John Campbell, Rodney Harris

Batista Boas Novas, Hortolandia (new church start in Monte Mor) – David Preston, Jay Kettle, Kristy Greenway, Tori Greenway, Max Preston, Mickey Ebencamp

Overall our teams combined to lead 1,755 people to a saving relationship with Jesus Christ. Those persons received a New Testament, testimony (in Portuguese) from a team member, Scriptures for further study, and will be followed-up by the churches we worked with. The relationships that were built with our translators are priceless and precious, many of them being stretched to grow in their own faith as God used them to communicate the gospel. They are on mission with us when we are there sharing. God is continually drawing people to Himself in Brazil. Please pray about your participation in a future trip to Brazil.
